Get involved! Our Chapter has grown tremendously this last year, but we are always open for new members who would like to network-learn-teach those interested in the receivership and supporting businesses. We are hoping to have a year full of educational events and raise the level of understanding of the usefulness of the receiver as a tool for lenders/plaintiffs to preserve their assets in these tough economic times. Contact Mike Essary, calsur@aol.com, Marty Goldberg, marty@cni4you.com, or Dan Close, closeedr@msn.com, for more information.
